

All-in-one Business Information Extractor

All-in-one Business Information Extractor is a Complete Solution to extract business information based on keywords and locations from 8 Platforms (Google Map, Yellow Pages,...).

All-in-one Business Information can extract the data from:

1. Google Map
2. Yellow Pages
3. Super Pages
4. DexKnows
5. 411.com Business
6. Find Us Local
7. Chambre of Commerce
8. Social Media Phones & Emails Extractor

All-in-one Business Information Extractor supports multi-keywords and locations, the exported results can be saved in Excel or HTML format.

All you need is to enter your keywords, your locations, the export folder and format, the number of pages.

For the number of pages, it depends on the keyword and location popularity, to know the available number of pages, simply go to the website and do the search manually and see how many pages are available, then go back to the software and set it.

You can also set some advanced settings like set how many seconds to wait after every scrape or extract operation, how many seconds to wait after every X scrape operation, you can set all at 0 to finish the extract process as possible.

Our Highly Experienced and Expert team made this software for your business development. After this purchase software you will achieve your business Goal.
